Re: Coakley Landfill CERCLA Site - North Hampton and
Greenland, New Hampshire

Dear Ms. Catri:

In accordance with our telephone conversation on Tuesday, April 16, 1991, I am enclosing a list of the customer files of Great Bay Disposal Service, Inc. and other files which may be responsive to EPA's previous 104(e) letters to Browning-Ferris Industries of New Hampshire, Inc.

Many of the customers included in the files are not located in Portsmouth, Newington, North Hampton, or New Castle. Thus, their files may not be relevant to the Coakley Site. We will begin tomorrow to index the contents of each of the files. To assist you in deciding which documents EPA wishes to receive, each index will include the address of the customer. As we agreed, we will attempt to provide to you the indices on May 1, 1991.

Sincerely,

Robert L. Gulley
